Contact email:

johnrayinfant@compassps.uk

Open Door Policy

Please remember we are here if you would like to chat to us. Mrs Christian will stand at either the front or back gate. You can also speak with your child's teacher after school once all children have been seen out.

Contact email:

lchristian@compassps.uk

Sickness:

If your child is poorly, please call the school office prior to 9am. Our office phone lines open at 8.30am but, you are able to leave a voicemail prior to this time. Please ensure you explain the symptoms and not just say your child is unwell.

Please note that any child with sickness or diarrhoea must be clear for 48 hours before returning to school.

Thank you for your co-operation

Please can I remind our parents/carers that we are a nut free school. This includes Nutella bars and pesto

Dates for your diary:

Week commencing 14th September 2026 – Week 2 menu

17th December – Nursery Christmas carols

These dates may be subject to change, but we will give advance notice where possible. Timings for all the above events will be sent out nearer the time.

We love to celebrate any achievements the children have awarded outside of school.

Please feel free to email johnrayinfant@compassps.uk with a description of what they have done. It could be that they learnt to ride a bike with or without stabilisers, swimming achievements, karate, litter picking etc.

Golden book awards:

Reception

Dragonflies – Amber, for being such a brave and resilient little superstar and settling into Dragonflies so well

Ladybirds – Penny, for being the perfect role model for Ladybirds

Bumblebees – Arthur, you have settled brilliantly and worked hard to establish core routines and have shown kindness towards others

Year 1

Hedgehog – Afenya, for trying her hardest all week and being an amazing role model

Squirrel – Alex, for settling into squirrels and Year 1 really well. You are calm, respectful and always try really hard

Otter – Robbie, for settling back into Otters class so well, and for amazing us with his phonics

Mole – Oliver, for an amazing start to Year 1! Well done for being a John Ray role model

Year 2

Kestrels – Nancy, for showing exceptional learning behaviours

Woodpecker – Rudy, for excellent participation, an inquisitive attitude and brilliant behaviour. Overall settling into year 2 exceptionally well, demonstrating a positive approach to learning

Robin – Hudson, for an amazing first week in Robins class. We are all so proud of you and your work. What a little star

Mr Mill's sports award: Kehlani, for not giving up with her basketball skills and amazing listening in P.E

Reminders

Jewellery:

Please note that children cannot wear any jewellery for P.E sessions. Please can jewellery be removed before coming into school.

Late collections:

A reminder to all parents/carers School finishes at 3.15pm. Please ensure you collect your child/children on time. A late fee of £5 will be added to your MYCAS account for late collections

Clothing:

Please ensure your children have suitable clothing for the warmer weather. Please ensure that all clothes are labelled, including sun hats/shoes, as many children have similar sizes and are from the same shop. Please check with your class teacher if you are missing any items. Please ensure that sunscreen is applied prior to school on the hotter temperature days.

Are you worried about a child?

As a school, we consider safeguarding to be a priority. We welcome parents and carers talking openly to us about their concerns for the safeguarding of children and families. Remember, safeguarding is everyone's responsibility. If you have any concerns about a child, you can contact one of our Designated Safeguarding Leads via the school office. Please ask to speak to Mrs Christian, Mrs Turner or Mrs Lee and specify that you have a safeguarding concern.

If you are worried about a child or young person, you can call the NSPCC helpline for support and advice for free on 0808 800 5000. If a child is in immediate danger, you should call 999.
Children can call Childline at any time on 0800 1111

Attendance - Attend today, achieve tomorrow!

Descriptor	Threshold attendance	Actual attendance	Whole days of absence	Learning Hours Lost
Excellent	100%	190 days	0	0
	99%	188 days	2	10
Good	98%	186 days	4	20

	83%	158 days	32	160
	82%	156 days	34	170
	81%	154 days	36	180
	80%	152 days	38	190

When to keep my child off school:

Rashes and skin infections	Recommended period to be kept away from school, nursery or childminders	Comments
Athlete's foot	None	Athlete's foot is not a serious condition. Treatment is recommended
Chickenpox*	Until all vesicles have crusted over	See: Vulnerable children and female staff – pregnancy
Cold sores, (Herpes simplex)	None	Avoid kissing and contact with the sores. Cold sores are generally mild and self-limiting
German measles (rubella)*	Four days from onset of rash (as per "Green Book")	Preventable by immunisation (MMR x 2 doses). See: Female staff – pregnancy
Hand, foot and mouth	None	Contact the Duty Room if a large number of children are affected. Exclusion may be considered in some circumstances
Impetigo	Until lesions are crusted and healed, or 48 hours after commencing antibiotic treatment	Antibiotic treatment speeds healing and reduces the infectious period
Measles*	Four days from onset of rash	Preventable by vaccination (MMR x 2). See: Vulnerable children and female staff – pregnancy
Molluscum contagiosum	None	A self-limiting condition
Ringworm	Exclusion not usually required	Treatment is required
Roseola (infantum)	None	None
Scabies	Child can return after first treatment	Household and close contacts require treatment
Scarlet fever*	Child can return 24 hours after commencing appropriate antibiotic treatment	Antibiotic treatment recommended for the affected child. If more than one child has scarlet fever contact PHA Duty Room for further advice
Slapped cheek (fifth disease or parvovirus B19)	None once rash has developed	See: Vulnerable children and female staff – pregnancy
Shingles	Exclude only if rash is weeping and cannot be covered	Can cause chickenpox in those who are not immune i.e. have not had chickenpox. It is spread by very close contact and touch. If further information is required, contact the Duty Room. SEE: Vulnerable Children and Female Staff – Pregnancy
Warts and verrucae	None	Verrucae should be covered in swimming pools, gymnasiums and changing rooms
Other infections	Recommended period to be kept away from school, nursery or childminders	Comments
Conjunctivitis	None	If an outbreak/cluster occurs, consult the Duty Room
Diphtheria *	Exclusion is essential. Always consult with the Duty Room	Family contacts must be excluded until cleared to return by the Duty Room. Preventable by vaccination. The Duty Room will organise any contact tracing necessary
Glandular fever	None	
Head lice	None	Treatment is recommended only in cases where live lice have been seen
Hepatitis A*	Exclude until seven days after onset of jaundice (or seven days after symptom onset if no jaundice)	The duty room will advise on any vaccination or other control measure that are needed for close contacts of a single case of hepatitis A and for suspected outbreaks.
Hepatitis B*, C, HIV/AIDS	None	Hepatitis B and C and HIV are bloodborne viruses that are not infectious through casual contact. For cleaning of body fluid spills. SEE: Good Hygiene Practice
Meningococcal meningitis*/ septicaemia*	Until recovered	Some forms of meningococcal disease are preventable by vaccination (see immunisation schedule). There is no reason to exclude siblings or other close contacts of a case. In case of an outbreak, it may be necessary to provide antibiotics with or without meningococcal vaccination to close contacts. The Duty Room will advise on any action needed.
Meningitis* due to other bacteria	Until recovered	Hib and pneumococcal meningitis are preventable by vaccination. There is no reason to exclude siblings or other close contacts of a case. The Duty Room will give advice on any action needed
Meningitis viral*	None	Milder illness. There is no reason to exclude siblings and other close contacts of a case. Contact tracing is not required
MRSA	None	Good hygiene, in particular handwashing and environmental cleaning, are important to minimise any danger of spread. If further information is required, contact the Duty Room
Mumps*	Exclude child for five days after onset of swelling	Preventable by vaccination (MMR x 2 doses)
Threadworms	None	Treatment is recommended for the child and household contacts
Tonsillitis	None	There are many causes, but most cases are due to viruses and do not need an antibiotic
